**Please Note:**

Hotel housekeeping staff are required by corporate policy to make a brief check of every room once per day, even if the room is not to be serviced, between the hours of 10:00 AM and 6:00 PM.

If this sign is displayed, housekeepers will move on to check and/or service other rooms first. Please remember that at some time between:

**10:00 AM and 6:00 PM**

a housekeeper will have to knock on your door and must be permitted to enter the room, even if this sign is posted. Please refer to the *Anthrocon Standards of Conduct* in the Convention Guide, or online, for more information.

*Anthrocon appreciates your understanding.*

In addition, every room has been provided extra garbage bags. If you generate more trash than the bins in the room can handle, please place the excess into the garbage bags and place the bags by your door. Additional bags are available at the front desk, if needed.
